IESA Scholar Attitude Award Winner: It is with a great deal of pleasure to announce that Adam Clark has been selected as a 2013 IESA Scholar Attitude Award, one of the 15 statewide winners!
Begun in 1999, the IESA Scholar Attitude Award honors 15 outstanding eighth grade students, one from each of the 15 IESA geographic Board of Directors divisions.
"The IESA Scholar Attitude Award recognizes the academic success, activity participation, and community involvement of the students in our member schools. The students who are honored as the IESA Scholar Attitude Award winners are among the best and brightest in Illinois. They are the young leaders in their school and community who dream to do great things as junior high school students and become the leaders in their high school years and beyond" said IESA Executive Director Steve Endsley.
Adam and his family will take part in an IESA sponsored reception and banquet where all 15 Scholar Attitude Winners will meet and be honored for their successes and contributions in and out of school.
