### Illinois Youth Survey

Williamsville Schools are working with the Center for Prevention Research and Development at the University of Illinois to conduct the Illinois Youth Survey (IYS) at both the high school and junior high school. The primary purpose of IYS is to better understand Illinois youth risk and protective behaviors as they relate to student problems and academic success. The survey will be administered to grades 8-12 the week of February 26-March 2. The survey is completely voluntary and privacy will be strictly protected. Students will be given an electronic survey online and it will be completed in one class period. The IYS questionnaire asks about personal use of alcohol and other drugs, perception of risks, where accessed, consequences of use, approval or disapproval of use, students' feelings about their school experience, family and personal characteristics, family communication about substance use, feeling about self and moods, and other student health behaviors – food intake, exercise, height and weight. While the survey asks personal questions about illegal behavior, several steps are taken to protect privacy of students participating in the survey. Students can skip any or all questions if they feel uncomfortable. Collecting information from Illinois students has many benefits to youth in your community and throughout the state. Results are summarized by grade level and reported back to your school to help determine what programs may be needed to keep students safe and healthy. Obtaining full participation is very important to the ability of your child's school and community to continue to improve the programs and strategies to prevent youth problem behaviors and enhance youth development. If you DO NOT want your child to participate in the survey, please notify the school counselor, Ashley Damery, at [damery@wcusd15.org](mailto:damery@wcusd15.org) by February 23. If you have any questions regarding the project and wish to contact a staff person at the University of Illinois, please contact Nancy Flowers at 888-333-5612 or email her at [nflowers@illinois.edu](mailto:nflowers@illinois.edu).

### **SAT Test Date for the Class of 2019**

The class of 2019 will take the SAT on April 10 during the school day. Williamsville High School will handle the registration for each student. Since attendance is crucial on this day, we ask that no appointments be scheduled before 2:00pm on test day. There will be a mandatory pre-administration session to complete non-test items for all juniors on March 23 which should take about an hour to complete (this is also an early dismissal day at 11:30am). Seniors will not be in attendance on April 10.

### **PSAT 10 (Sophomores) and PSAT 8/9 (Freshmen) Test Date**

The redesigned SAT Suite of Assessments is an integrated system made up of these tests: SAT, PSAT/NMSQT and PSAT 10, and PSAT 8/9. The tests measure the same skills and knowledge in ways that make sense for different grade levels, so it's easier for students, parents, and educators to monitor student progress. The PSAT 10 and PSAT 8/9 are highly relevant to your students' future success because they focus on the skills and knowledge needed for college and career readiness. There is no cost to students to take the tests and registration will be completed at school.

### **Career Day-CONNECT**

The Regional Office of Career and Technical Education will again host CONNECT for all 10<sup>th</sup> graders. ### **Pop Tab Challenge**

Sherman Elementary is participating in the 2017-18 POP TAB CHALLENGE being sponsored by the Ronald McDonald House Charities of Central Illinois. Collecting pop tabs is a great way to teach our students about the value of recycling and philanthropy, while helping to keep families together when it matters most. This year's POP TAB CHALLENGE contest runs from October 1-May 11. Prizes will be awarded to the winning school in two categories: the school that collects the most tabs by weight and the school that collects the most tabs per student (based on student population). The Ronald McDonald House has provided a "home away from home" for over 10,000 families of seriously ill children who have come to Springfield seeking medical attention since 1986. They believe families shouldn't worry about anything else except caring for their child and they do not request money from families to stay with them. Families come from all over Illinois, the rest of the United States, and from many countries throughout the world. Pop tabs are recycled to earn money to help provide all the comforts of home to these families at no cost to them. Please feel free to send in tabs with your child or drop them off at the school Monday through Friday from 8:30am-3:00pm. Thank you in advance for your support. To date, SES had turned in 69.6 pounds of pop tabs!

### **PTO**

SES parents are reminded that they are invited to the monthly PTO meetings. Meetings will be held in the SES library at 6:30pm on the following dates: February 13, March 13, April 10, and May 8. We try to keep the meetings to only an hour in length. The teacher with the most parents in attendance receives a gift certificate to the website Teacher Pay Teachers, an online marketplace where teachers buy and sell original downloadable educational materials, hard goods and used educational resources.

### **2018-19 Kindergarten Pre-Registration**

Kindergarten pre-registration for the 2018-19 school year is underway. Parents are encouraged to come to the elementary school office from 8:00am-3:00pm any day to pre-register their kindergarten age eligible child. If you live in the Williamsville School District and have a child or children who will be five years old on or before September 1, 2018, please plan on pre-registering your child. It assists the district in determining staffing needs for the upcoming school year.
