

WILLIAMSVILLE C.U.S.D. #15

August 15, 2011

DISTRICT DISPATCH

A Publication for Community Members

From the Superintendent's Desk

Welcome Back!

The start of another school year is upon us and with it comes the excitement of new learning experiences for our students. At Williamsville Schools, we are dedicated to giving your child the best possible learning environment in the classroom, while providing several of the most competitive and successful extra-curricular programs in the area. Due to the ever-present parental and community support, along with an excellent team of educators, Williamsville Schools continues to rank as one of the top small schools in the state. Consequently, we are extremely excited to kick-off another school year where we will continue to present every student with the opportunity for success and life experiences that only a strong educational system can provide.

Although with every new school year comes new challenges for our students, we face those challenges together with the realization that each one of us has a major role in the success of our children's educational processes. With your continuous support, the pride and tradition that have made the Williamsville School District a premier institution for learning will continue to thrive for years to come.

It is with great pride to welcome all of our students back to school and I wish all of you a safe and prosperous new school year.

Sincerely,

David J. Root
Superintendent
