

WILLIAMSVILLE HIGH SCHOOL

Our Mission is to challenge and inspire every student to actively take part in a lifetime quest of knowledge and development of integrity to reach their potential as productive members of society.

School Improvement Goals for 2007-2008

- Goal 1: Continue to identify strategies that will improve literacy comprehension.
- Goal 2: Through professional development, better prepare our faculty to identify needs of our changing special needs student population.
- Goal 3: Provide in-service training to update, refresh and introduce new technology methods to enhance teaching resources and improve upon parental communication.
- Goal 4: To pursue the goal of providing the PLAN test to all sophomore students. This would align with the EXPLORE and ACT providing data for building and district curriculum assessment.
- Goal 5: Encourage students to become involved in extra-curricular choices and to attend home, school based activities that will help build school pride and support.
- Goal 6: Research the strengths and weaknesses of adopting a seven period instructional schedule with a common advisory period provided for instructional support.
- Goal 7: Support teachers in their diverse class assignments through resource-gathering time, collaboration and mentoring processes in an effort to maintain student performance on standardized tests.
