Penny Wars: It's time to start gathering your change - the Penny War has begun! Starting today, each grade will have a collection jar in the gym before school. Bringing silver coins (quarters, nickels, dimes) will add to your team's total. Pennies and bills can be added to an opposing team's jar and will deduct from their total. At the end of the week, the grade with the most money will be declared the victor. Have fun - and may the best team win! All money collected will be used to buy new books for our school from the bookfair.
