Here is today's Teen Read Week question. Suzanne Collins, the author of the famous Hunger Games trilogy, also wrote what other popular young adult series? If you think you know, put your answer in the can in the lunch room for your chance to win a free book at the Book Fair.

**Penny Wars:** The Penny War has begun! Each grade has a collection jar in the gym before school. Bringing silver coins (quarters, nickels, dimes) will add to your team's total. Pennies and bills can be added to an opposing team's jar and will deduct from their total. At the end of this week, the grade with the most money will be declared the victor. Have fun - and may the best team win! All money collected will be used to buy new books for our school from the book fair.

**Beta Club Members:** Do you need community service hours? Are you coming to watch boys' basketball games? Consider working in the concession stand! You get in free PLUS you get to fulfill some community service!! See Mrs. Snow in the office if you can work some games at the end of November.
