## Miscellaneous

### "Bullets Helping Panthers"

In an effort to help the town of Washington recover from the effects of the tornado that struck on November 17, the Williamsville High School Student Council will be collecting money through Friday, November 22. If you or your family would like to donate towards the relief effort please bring your donation to school and turn it in to your first hour teacher. All funds collected will be donated to the American Red Cross and used in the recovery/clean-up efforts.

Donation centers have also been set up at the village hall in Williamsville and Williamsville State Bank in Williamsville and Sherman. Any items are appreciated, but tarps, flashlights, bottled water, blankets, and coats are the items currently needed the most.

**Beta Club Members:** There will be a short Beta Club meeting in the cafeteria today during wrap up. All members should plan to attend. We will discuss our first fund raiser at the meeting.

**Mr. Buttry's 8<sup>th</sup> Hour:** Mr. Buttry's 8th hour sports biology class should not dress and bring something to work on or read for class today.

### WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.
