WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

WJHS received a thank you note from Mr. Edwards' children. Please read below.

Thank you from the bottom of our hearts for all the letters of support and sympathy. We would like all of you to know just how special you were to him. He was so happy to get the chance to sub at your school. He always told me how respectful and thoughtful the students were and what a joy it was to be able to teach there.....

We are going to make a scrap book of all your letters, as they are so very special to us. It makes us all happy to know that all of you could get to know the man that we were able to call "Dad".

Mr. E's Kids

GREAT JOB WJHS STUDENTS!!!
