All your parents need is an email address and your 7 digit school ID that begins with the numbers '2'0'

WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.
