Skills for Healthy Living Class: Skills for Healthy Living Class will meet Mr. Davidson in the Gym. Students should change into their P.E. clothes.

Clarification on Attendance Codes: Your parents can check your grades online by using the Parent Connect program. On this program they can also see attendance. When you are absent and provide a note from the doctor's office to the school upon your return, in our attendance program, we enter an "N" for note. If no note is provided, we enter an "E" for excused absence. IF the absence were to be unexcused for some reason, we would enter a "U" for unexcused. There are other codes for other reasons for an absence with the most common of these being "Y" for funeral, and "F" for family reasons. We hope this clears up any confusion with the attendance codes.

WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.
