WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

Fine Arts News

Festival of Trees, November 22 through November 30: Again this year, the WJHS art students decorated a 7 1/2' tall tree for the Festival of Trees. The Festival is a community service project that is sponsored by the Memorial Medical Center Foundation. Money raised by the event is used for special needs such as nursing scholarships, or to assist families with critically ill children. This year the theme is "Glitter and Glisten". *Our tree was given 2nd place in the student tree competition and was chosen as The Chairman's Choice! Congrats art students!!!
