WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

LLCC College for Kids: Are you interested in learning cake decorating, LEGO Robotics, or learning how to write computer programs? Pick up a flyer in the office if you're interested in this popular program. The Loggers sports camp info and other exciting classes are featured. All classes and camps take place this summer.

Sports News
