WCUSD Bus Rider Policy: Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

Schoolkidz School Supply Kits: We know it seems early but it's almost time to start ordering your school supplies for next year. Last year's sale was a great success and students and parents loved the products and convenience. We'll be handing out flyers soon to let you know how you can order from *Schoolkidz*. It's nice to have all of your school supplies here waiting for you on the first day of school and or locker day. Be on the lookout in the daily bulletin for more information as soon as it's available.
