Guidance: WJHS classroom guidance lessons serve the academic, social, and emotional needs of our junior high students. Group guidance is a unique school experience that can help students express ideas and feelings, gain insight about themselves and others, and learn new behaviors to support academic goals. Mrs. Damery, the school counselor, will facilitate these prevention lessons and intervention activities during the school day. Topics include: note taking, organization, bullying/harassment, gossip and rumors, hazards of social media, and career exploration. The next guidance unit will be delivered to the eighth grade class on September 28th covering social media. Seventh graders completed a note taking lesson on August 31st. Character Education will be covered at the fifth grade level on a monthly basis. All students will receive a bullying prevention lesson during the month of October. Please contact the guidance counselor, Mrs. Damery, about any questions you may have about the program. We strongly believe that these lessons will be valuable and educationally rewarding for every student. If your student needs individual services, please do not hesitate to contact our counselor at 217.566-3600 or damery@wcusd15.org

WCUSD Bus Rider Policy: Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.
