**Card Club News:** There will be no card club today.

**Parent Teacher Conferences:** \*Sixth grade students were given a letter to bring home with instructions on how to sign up for 6<sup>th</sup> grade conferences. If your parents have questions, they should feel free to email your wrap up teacher or call the school.

**WCUSD Bus Rider Policy:** Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

**Chorus Students:** IMEA rehearsal tomorrow during wrap-up. PLEASE try to be there, as this will be your last rehearsal. Bring your recording devices to record your material. Permission slips are due TOMORROW. Auditions are on Monday.

**ILMEA Chorus and Band Auditions, Monday, October 10!!:** Auditions are Columbus Day (no school that day), October 10th at Quincy High School. The bus will leave promptly at 8:00 AM from the back of the junior high. We will return immediately after all students have auditioned. There is no guarantee as to how long auditions will take, as we have to wait for all students to get through the process. Students will call home once we are finished.

Students should dress nicely. No jeans or t-shirts. There is a concession stand if a student wishes to bring money for a snack or drink after they have auditioned. Finally, after auditioning, students will need to remain quiet and occupied while waiting for the others. I would strongly suggest bringing a book to read or homework to work on during this time.

We have quite a group of talented students auditioning. We are very proud of each of them for putting forth the extra effort and rehearsal time. We will be notified within a few days of auditions with which students were selected for the Festival (Nov. 5th.) Further information about the festival will then be sent home with those students selected.
