A Message from Mrs. Thomas:

Hello Everyone! This has been an exciting week. I have completed two 10 hour flights. Last night's flight took us all the way across central Canada. The temperature at 45,000 feet was -63C. While flying across Canada, we could see the northern lights! Today we are touring the mirror coating facility, and tomorrow we will see the space shuttle, Endeavor at the Science Museum in Los Angeles.

Mrs. Moss's PE plan for today: Mrs. Moss's 6th grade P.E. classes will be meeting in Mr. Davidson's classroom today. Make sure you come prepared with paper, pencils, etc.

Pledge of Allegiance Schedule: Schedule of participants:
