**Audiobooks For All:** Public schools are encouraging use of audiobooks to enhance student learning. Teachers have found that listening to an audiobook increases student vocabulary and reading comprehension. Instructors are able to attach questions to an audiobook to help students with critical thinking skills while they read along. As a result, student attention and motivation to read has improved in K-12 schools. WJHS students have been taking advantage of this opportunity, both at home and during school hours, and we are seeing the benefits. However, many students in district 186 do not own a pair of headphones to use in the classroom or at home and are missing out on this valuable learning opportunity. WJHS has a long history of "paying it forward" to help others and promoting success in our community. Please consider donating a pair of headphones for school use or a pair of earbuds for home use to benefit this awesome cause! Having access to enough headphones will ensure that low income students have equal opportunity to listen to audiobooks selected by their classroom teachers. Headphones will be collected at WJHS from March 19th-29th in first hour classes. The first hour class that collects the most headphones will be rewarded with breakfast to start the day.

\*Beta Club members who donate both a classroom headphone (style worn on outside of the ear) and earbud headphones (for home/personal use) will receive a club event credit. Please turn your donation into Mrs. Damery directly by March 29th. This will also count toward your first hour class total.

**Scholastic Bowl News:** Our next match will be in Franklin, IL, tomorrow. We will be playing Trinity Lutheran at 4:45 and Franklin JH at 5:45. We will have practice today after school from 3:15-5:00.
