**Honor Band Participants:** If all honorees are in attendance today, Mr. Shoufler would like to take a picture. We'll make an announcement at the beginning of wrap up if it's a "go". You'll report to the old gym for it.

**WJHS Homework Policy:** Just a reminder about our new homework collection policy for students who stay home from school sick. We don't collect homework for you on the first day. If you're sick more than one day, we will gather it. A request must be made by noon on the given day and homework will be ready for pick up after school.

**WHS Homecoming Parade News:** The date of the parade is **Sunday, September 30**. The lineup will start at 3:00 and the parade will kick off at 4:00. We will follow the same route as previous years - taking off from the High School lots, winding through town and ending up behind WJHS.
