Scholastic Bowl News: What an awesome night of regional play for the Bee Bee's scholastic bowl team! They defeated Lincoln and Athens to win our pool and played neck and neck with Havana in the championship round. There was only a five point difference separating us at the end. We wish Havana luck as they advance to the Sectional Tournament on Monday at Springfield Franklin. Team members, stay tuned for information about our End of Season party. Keep studying. You want to be primed and ready to take on your parents in match play at the party.

1st Day School Supplies: Once again the school has set up an account with 1st Day School Supplies. You can go online and order your school supplies for next year for your grade level classes. You should have received a flier about it yesterday. Deadline to order is June 30. Supplies will be delivered to the school and available for pick up on locker day before the school year begins. (August 16) www.1stDaySchoolSupplies.com is the website. You'll need to enter the school's zip code, 62693
