Picture Re-Take Day: Our school re-take day is October 16. The photographers will be set up in the Chorus Room here at the JH. If you're having your picture re-done, we'll be making verbal announcements by class to send you to the photographers.

Those of you who want yours re-taken will need to bring your original packet that day to give to the photographers. There are a few who had definite technical difficulties and we were notified by Interstate of those. We'll be giving you a note about that.

For those getting your pictures taken for the first time, we have the picture packets in the office for payment. If your parent wishes to pay on-line the order code is 44318TA

Counselor News

Guidance: During Parent Teacher Conferences, Mrs. Damery will be offering information to parents on social media use and online bullying or harassment. Stop by before, after, or in-between teacher conferences to get some practical tips and parenting strategies to protect your children online.

Mrs. Damery will also be sharing a student support presentation for parents of students with common and chronic medical conditions that impact student attendance and performance at 2pm on November 7 and 9:30am on November 8.

Health News

Miles of Smiles: The school district is excited to offer the mobile dentistry program Miles of Smiles to our student population again this fall. We hope this program will help alleviate some of the financial demand placed on families as they meet requirements for the beginning of the school year. All children, pre-kindergarten through 12th grade, are eligible for an exam. The services are provided at no cost to our district families. As an additional benefit to our families, the team fills out the dental forms for students in kindergarten, 2nd and 6th grade required by law to show proof of dental examination for school. Here is how the program works: Parents fill out the permission slip and return it to the school office. Exams will not be given unless the permission slip is returned to the school office. A team including a dentist, hygienists, and dental assistants will come to Sherman Elementary on Monday, November 4. Junior High students will be transported there for the clinic. Any questions concerning the program may be directed to Chelsey Jennings at 566-3600/566-3361.
