Health News

Miles of Smiles: The school district is excited to offer the mobile dentistry program Miles of Smiles to our student population again this fall. We hope this program will help alleviate some of the financial demand placed on families as they meet requirements for the beginning of the school year. All children, pre-kindergarten through 12th grade, are eligible for an exam. The services are provided at no cost to our district families. As an additional benefit to our families, the team fills out the dental forms for students in kindergarten, 2nd and 6th grade required by law to show proof of dental examination for school. Here is how the program works: Parents fill out the permission slip and return it to the school office. Exams will not be given unless the permission slip is returned to the school office. A team including a dentist, hygienists, and dental assistants will come to Sherman Elementary on Monday, November 4. Junior High students will be transported there for the clinic. Any questions concerning the program may be directed to Chelsey Jennings at 566-3600/566-3361.

Athletics

Baseball Team Meeting: If you played baseball this year, meet Coach Chladny in the gym TODAY for a quick meeting during wrap up. Check in with your wrap up teacher then report to the gym.

Boys Basketball: Tryouts are October 21, 3:30-5 and October 22, 3:30-5:30. Please make sure your physical is current.

6th Grade open gyms and tryouts will take place later in the year.

Cheerleaders: If you haven't already paid it, your athletic fee is due before your first game. Please remind your parents and bring it to the office. Thank you!
