### WJHS ON THE WEB

Another school year is upon us and things are in full swing at Williamsville Jr. High. As most of you know, Williamsville Junior High School has a web site at [wcusd15.org](http://wcusd15.org). Each month, a Parent Bulletin will be available online. We also have copies in the office if needed. In addition, each day a Daily Bulletin is posted on the web. It is also read aloud to students each day. This bulletin has daily "happenings" at the junior high, like the lunch menu, special meetings for clubs, and bus times for sporting events. We ask that you take the time to look at our web site and hope you find it valuable and informative.

WJHS also has a Facebook page. We'll be posting pictures of Williamsville Bee Bees doing fun activities at school amongst other things. Make sure to follow our WJHS Facebook page!!!

### WCUSD BUS RIDER POLICY

Just to remind everyone of the school district policy about riding another bus besides your own. At the junior high level, the district allows students to ride only one bus. In emergency situations where a parent needs a student to ride another bus, a note must be brought to school from the parent stating the reason why a student should ride an alternate bus. A student riding with others on alternate buses for social reasons is not allowed.

### ARRIVING AT SCHOOL

Doors at the Jr. High open to students at 8:00 a.m.

### STUDENTS TRANSPORTED TO AND FROM SCHOOL BY A PARENT

Parents who transport their children to and from school should drop them off and pick them up in **back** of the school at the Fine Arts Entrance. Please park in designated spots in the parking lot when waiting after school. Thank you for your cooperation.

### STUDENTS LEAVING SCHOOL DURING THE SCHOOL DAY

When a child needs to leave school early due to an appointment, please have your child **bring a note to the office** the morning of the appointment so plans can be made for your student to exit class.

If a student becomes ill during the school day, they should proceed to the office where the school nurse is located. The nurse will then evaluate the illness and a parent will be called if necessary.

When a child needs to leave school early due to an appointment or sickness, parents must pick the child up in the office. We appreciate your support in making our schools safe for everyone.

(There are times that the staff will be able to have your child waiting for you. This will occur if the pick-up time happens to fall in between class times, during passing time.)

### ATTENDANCE LINE

Just to remind parents, we do have an attendance line at WJHS. The number is 566-2325. Office personnel check it each morning.

### VISITORS MUST CHECK IN

We request that all visitors report to the office when visiting the Jr. High. A visitor's pass will be issued to our guests. All guests must sign in when they arrive and leave. We feel this will allow our staff members to better recognize those visiting our school. Again, please report to the office before going directly to any classroom. Thank you for your support.

### PARENT CONNECT

If you didn't pick up your Parent Connect password at Meet the Teacher night, please call the office and we can arrange to send the sign on and password home with your student

This sign on information doesn't change from year to year.

When checking your child's attendance information on Parent Connect, please be advised the letter "N" in the "excused" field stands for "Note". It indicates a note was brought from the student's physician.

The boys' basketball season is right around the corner. Be sure to have your student listen to the Daily Bulletin for news about upcoming open gym times. If your student is planning on trying out for the team this year, have them be sure to

**CHECK IN THE OFFICE** to see if they have a current physical. Schedule a physical NOW if it's outdated. Your student will not be allowed to try out for the team without a current physical. This is an IESA regulation. Try outs for 7th and 8th graders will be held on Monday, October 15 and Tuesday, October 16. 6th graders will have their try out at a later date.

## SIXTH GRADE NEWS

Our sixth grade students seem to have adjusted well to the transition into junior high. If you want to check on homework assignments, they fill in their planners with the daily assignments. Assignments for the week are also posted online every Monday after 3:30 on the Planbook link for Sixth Grade at the WJHS website.

Students are being challenged in all their classes to develop new skills and learn new concepts.

Mr. Buttry has students actively learning about the various types of lab equipment; while in math, Mrs. Baugher is having students work with operations with decimals. In English, Miss Mast is working with students on parts of speech and spelling. Mrs. Groth has students studying literary genres and taking the STAR reading test in early September. In world history class, Mrs. Carlson's classes have been getting the skeleton done for the interactive notebook and learning how to efficiently take notes.

Be sure to ask them about some of the things they're learning!
